A MESSAGE FROM 'BUSTER'

Hi Everybody! As the official Spokes-Pup for the Humane Society & Adoption Center of Rockport-Fulton, I'm on my biscuit box to bark about the importance of our spay/neuter program. I can't count the number of times we've found a box of newborn puppies or kitties left by someone at our front gate; and recently, a Good Samaritan brought us a litter of 10 puppies that had been abandoned. Of course, we take them all in and care for them until they're adopted. Unfortunately, some unwanted newborn animals do not have such a happy ending, like when they are left on the side of the road in a box. That just breaks my heart, when I think about it. Please spay or neuter your family pets and help us in our on-going work to eliminate euthanasia in our community. If you need some assistance, call the Shelter to learn about spay/neuter vouchers and ways we can help. By the way, if you're looking for a puppy or kitten to adopt, give us a call and come see my pals who are waiting for their forever home. I'll be glad to show you around.

Gratefully yours, "Buster"

Three Sweetest Words...

Our Adoption Program finds **FURR**-ever homes, offering the animals a new **LEASH** on life!

I. GOT. ADOPTED!!

SHELTER TAILS!

Hi everyone! My name is Endora, though some refer to me as "Prima-Donna". I don't mix with the crowd, preferring to sit high up on a perch and survey my kingdom. I do love to play with the little kittens and look after them, so I would be a wonderful big sister. Simply stated, however, I can barely tolerate dogs!

Hi Folks! My name is Finch, and I'm a super handsome Catahoula Leopard gent. I had a rough beginning in a hoarding situation, but thankfully I was rescued by HSAC. They've taught me how to walk nicely on a leash and accept a treat when I hear the word "Sit". I'm still a little shy and fearful, but I just need that special person to show me the world is really a good place. Please come see me at the Shelter. I'd love to have a forever home!

THE HUMANE SOCIETY IN THE SCHOOLS

Shelter Manager, Autumn Vasey, and staffer Hailey Graff visited a group of 2nd graders at Odyssey, and loveable mutts Bessie & Pete and kitty cats Sticker Burr and Dandelion tagged along, much to the delight of the children. The students surprised the animals with toys and treats, along with hand-painted river stones for the Shelter's Rock Garden, all made during a project they had worked on for over a month. The children had a ball playing with the animals, giving Autumn the chance to talk about the humane treatment of animals, proper care and the responsibility that goes along with having a pet. Odyssey students have visited the Shelter, on field trips, and we love to have the opportunity to share our mission statement with the young students who participate in Odyssey's After School programs. Huge thanks to these 2nd graders for their wonderful gifts!

SOMETHING TO HOWL ABOUT

THE 6TH ANNUAL LUNCHEON & STYLE SHOW
Saturday, April 24, 2021
11:30 'til 2:00
Rockport County Club
HONORING KATHY NOBLE

Billed as "LUNCHEON AT TIFFANY'S" this year's event will welcome guests with a champagne reception, followed by a seated luncheon accompanied with fine wines. A style show will feature ensembles for Spring, and a boutique-style silent auction will offer a treasure trove of items. It's an afternoon of fun & fashion!

SPECIAL SHELTER VOLUNTEERS

A dedicated volunteer for almost 3 years, JANET NOEL mans the front desk and also fosters our "special needs" dogs. Especially fond of kittens and puppies, she recently nursed a litter of four 3-day old kittens. Hats off to a very special lady with a huge heart!

WE ❤️ OUR VOLUNTEERS!!

For 4 straight years post-Harvey, 10 year old Madison Burr has asked for donations to HSAC in lieu of birthday presents. This unselfish act has resulted in a total of \$1,410.00, an impressive contribution to help with operating expenses. Madison and her parents live in Ft. Worth, but visit family in Rockport every year. She loves coming to the Shelter to present her donation, play with the animals and be a

part of our organization. Kudos to this exceptional young lady for her interest in the care we provide for animals who are lost or abandoned. Look forward to seeing you next year, Madison!
